

LA metal roofing LLC.

Description:

<http://www.newenglandmetalroof.com/>
Approach to roofing services:

Quality over quantity at the right price and personalized customer service is the living philosophy of this small yet efficient metal roofing company.

Environmentally friendly roofing:

With main emphasis on environmentally friendly and energy efficient metal roofing technology, LA metal roofs LLC., services homeowners in MA, RI, CT and southern NH.

Metal Roofing Services:

Flexibility and choice of metal roofing materials provide a great variety of options for our customers.

Residential installations typically feature Perma-Lock aluminum shingles fully interlocking systems that come with lifetime warranty.

Standing Seam Roofing:

Along with aluminum shingles, we can provide and install Dutch standing seam, stone coated steel and metal tiles.

Commercial roofing services:

For commercial companies we can offer custom metal roofing materials that will integrate and work well for their purposes. As an example of commercial work, LA metal roofs LLC, performs a lot of work for restaurants in Massachusetts area.
